Technical Brochure

Hi-Iron

Organic and inorganic liquid blend ensures maximum uptake. Formulated with patented amino acid extracts.

Some of the benefits include:-

- Energy transfer
- Chlorophyll formation
- Protein formulation
- Catalyst for magnesium uptake

TYPICAL ANALYSIS	% W/V
Iron Fulvates	6
Potassium Fulvates	0.2
Nitrogen	0.1

pH 2.2-2.3
SG 1.16

APPLICATION

Fertigation	Rate/ha	Water Ratio
All crops	2-10L	--
Foliar Treatment	Rate/ha	Water Ratio
All crops	0.3- 1L	--

Important:-Do not foliar spray stone-fruit. Do not foliar spray any crop at flowering

PACKAGING

20L, 200L, 1000L
